

**REMARKS**

Claims 25 and 26 have been amended. Claim 7 has been canceled.

The Examiner has indicated that claim 25 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Applicant has so amended claim 25. Amended claim 25 is thus allowable.

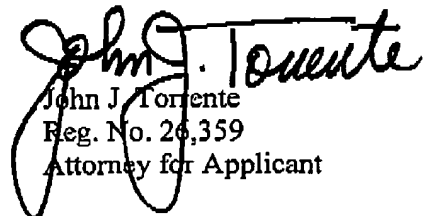

Method claim 26 has been amended to parallel allowable amended claim 25. Amended method claim 26 is thus believed to be allowable for the same reasons amended claim 25 was found allowable.

In view of the above, all claims remaining in the application, as amended, are allowable. Accordingly, reconsideration of the claims and passage of same to issue is respectfully requested.
